

Charlotte-Mecklenburg Schools
Changes in CMS Magnet Programs for 2011-12

Center for Leadership and Global Studies (K-5)

The elementary magnet program at Winding Springs will be relocated to the Marie. G. Davis facility to join with the Military and Global Leadership magnet program for secondary students. Marie G. Davis becomes a K-12 site.

International Baccalaureate (K-12)

A new PYP magnet program will begin implementation at Blythe Elementary as the school commences the consideration phase for IB PYP authorization. The Davidson MYP magnet program will be relocated to the J.M. Alexander Middle School facility and will petition the IBO for continued MYP authorization at the new site.

Learning Immersion and Talent Development (K-5)

The LI-TD magnet programs at Lincoln Heights and Villa Heights will move to the Irwin Avenue Elementary facility. A new LI-TD magnet program will be implemented at Mallard Creek Elementary.

Montessori (preK-8)

Grade 6 will be added at Chantilly and grade 8 will be added at Sedgfield.

Paideia (K-5)

The Paideia Academy at Oakhurst will be eliminated with the closure of the school.

Science, Technology, Engineering and Math Studies – STEM (K-12)

Grade 7 will be added at Morehead. The Math, Science, and Environmental Studies magnet program at Harding University High will relocate to the Phillip O. Berry Academy facility to be incorporated as a Science Technology, Engineering and Math (STEM) program.

Technology Academy (9-12)

The Math, Science, and Environmental Studies magnet program at Harding University High will relocate to the Phillip O. Berry Academy facility to be incorporated as a Science Technology, Engineering and Math (STEM) program.

World Languages – Language Immersion (K-12)

The K-8 magnet program at Smith Academy will relocate to the E.E. Waddell facility. Grade 7 will be added at Collinswood and Oaklawn.
