

Notification of Closed Schools for Reassignments 2020-2021 School Year

Pursuant to Board Policy JFAC, *reassignment requests* to schools that are closed because of extreme school capacity issues will be accepted only for a student who lives in the home school area of that school. The following is a list of closed schools for reassignment; a link to the district website will be included with the Notice of Assignment letters. This list is subject to change, check www.cms.k12.nc.us or call the Student Placement office at 980-343-5335 for an updated list. **This list doesn't imply that schools not on the list have space available.**

Definitions

Reassignment: Request submitted after a lottery, due within 10 days (or date specified on notification letter). May appeal staff decision to Board.

Transfer: Request submitted throughout year, *all schools available*. May appeal staff decision to Superintendent's designee.

Factors to determining closure of schools:

1. Relative over-crowding compared to the permanent built classroom capacity of the facility.
2. Anticipated growth in a particular area without definitive construction end dates for new schools.
3. Site constraints that restrict the placement of additional mobiles.
